“Mastering Modern Restorative & Aesthetic Dentistry: Digital Design, Occlusal Precision, and Undetectable Restorations”

September 24-26, 2027

Cedar River Village at Shanty Creek Resort – Bellaire, MI

Course Objectives and Description:

These lectures will address the following primary topics (see our website for a complete listing):

1. Integrate digital design and restorative workflows to improve precision, predictability, and efficiency in aesthetic and functional outcomes.
2. Diagnose and manage complex occlusal and vertical dimension challenges to restore harmony, function, and esthetics in full-mouth and advanced cases.
3. Apply advanced composite and ceramic techniques to create invisible, long-lasting restorations that elevate both patient satisfaction and clinical excellence.
